Continuation of 2. NOTE: Amended claims 1, 4 and 6 raise new issues that would require further consideration and/or search. Amended claims 1, 4, and 6 add the limitation "wherein said route load measuring units each measures, as the load, an effective bandwidth of the route, the effective bandwidth estimated based on a plurality of parameters", this limitation raises a new issue that would require further consideration and/or search. Amended claims 4 and 6 also add the limitation "[a plurality of client terminals and server terminals that are divided into several groups] each having at least two of the server terminals that provide [services]", this addition raises a new issue and would require further consideration and/or search. Therefore, the proposed amendment will not be entered.
